

- (1) CalPERS HMO plans (Blue Shield, Kaiser and Western Health Advantage) have no benefit changes in 2005.
- (2) Effective January 1, 2005, PERS Choice and PERSCare members will pay a higher copayment for maintenance drugs if they do not begin using mail order after the second fill of a prescription. If members continue to use a retail pharmacy for maintenance drugs, the higher mail order copayment will apply (\$10 generic, \$25 preferred, and \$75 non-preferred), but they will receive only a 30-day supply (compared to the 90-day mail order supply). Affected members will receive more information about this change from Caremark, the pharmacy benefit manager for PERS Choice and PERSCare.
- (3) Two association plans, CAHP and CCPOA, have benefit changes in 2005. Contact each association for more information.

As approved by the CalPERS Board of Administration and subject to approval by the Department of Managed Health Care, up to 38 hospitals will be excluded from the Blue Shield CalPERS 2005 provider network. As a result, some members will have to change providers in order to remain with Blue Shield or may retain their provider by signing up for the PPO. Affected members will receive more information from Blue Shield regarding this change prior to the start of Open Enrollment.

State law requires retirees and their dependents who are eligible for Medicare Part A (hospital insurance) to enroll in Medicare Part B (medical insurance) and transfer to a CalPERS-sponsored Medicare health benefits plan. All retirees must certify their Medicare status by submitting satisfactory evidence of Medicare enrollment in Part A and Part B, ineligibility or deferral.

Medicare eligibility is based on Social Security and/or Medicare covered employment. If you are not eligible for Medicare, you may be eligible through your spouse (current, former, deceased or future) who worked. Contact the Social Security Administration at (800) 772-1213 to determine your Medicare eligibility or visit their Web site at ***www.ssa.gov***

QUALITY MATTERS!

Want to know your health plan's quality ratings or how to choose a provider? Use the prepaid postcard on page 3 to order your *Quality Report*.

This year, Open Enrollment is **September 15 - October 15**. For 2005, the CalPERS Board adopted regional pricing for its contracting agencies. The new regional premiums vary among five (5) geographic regions and become effective January 1, 2005. **They affect active employees and retirees who are on the Basic Plans only.**

Two publications are included with this statement to help you in the decision-making process. The **Health Plan Decision Guide** provides the 2005 health premium rates, pricing regions and other important health benefit information. The **Health Benefit Summary** provides a detailed summary of benefits offered by the health plans.

Your health plan statement provides you with a summary of your family's current health plan enrollment information. If you wish to make a health plan change or the

personal information on page 2 is not accurate, contact your Health Benefits Officer (active employees) or contact CalPERS (retirees).

If you do not wish to change from your current health plan and your enrollment information is correct, **you do not need to do anything.** CalPERS will automatically enroll you in your current plan within the appropriate region. Other useful books about the CalPERS health program **may be ordered by mailing the pre-paid postcard** (page 3) no later than September 1, 2004.

You may request to have materials mailed to a **different address** other than the one in our records by filling out the address section on the front of the pre-paid postcard. ***CalPERS cannot honor this address as a change of address.*** To change your address, contact your personnel office (active employees) or contact CalPERS (retirees).
